Training description

This course is by invitation only! The ITU Training of Trainers for Educators on Child Online Protection (COP) aims to give participants a fundamental understanding of the roles and responsibilities of an educator in relation to training methods and meeting the needs of learners.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
