Training description

The ITU Asia-Pacific Centre of Excellence (ITU ASP CoE) training on " Distributed Ledger Technologies (Blockchain) Ecosystem and Decentralization? for the Asia-Pacific Region will be conducted from 3-6 September 2018. This training is organized jointly by the ITU, the National Broadcasting and Telecommunications Commission (NBTC) and the Ministry of Digital Economy and Society (Thailand) as part of the Policy and Regulation Programme under the auspices of the ITU ASP COE. The training will be delivered in English at Bangkok, Thailand. This programme aims to: ? build knowledge of policy makers, regulators, industry and academia in the areas of Distributed Ledger Technologies (DLTs) ecosystem; ? provide insight on enabling environment (policy, legislation and regulation), technologies, security and applications relating to DLTs; ? share use cases and experiences from application areas (e.g. finance, agriculture, telecom); ? build skills on ?creating a Blockchain infrastructure?. Detailed information on this training is described in the training outline (Annex 1), which can also be downloaded from the ITU Academy Portal at http://academy.itu.int/ and http://www.itu.int/itu-d/asp. This training is targeted at managers, engineers and staff from regulators, policy makers, telecom operators and academia, who are interested in from policy makers, regulators, industry and academia engaged with distributed ledger technologies (Blockchain). Registration for this program should be made online at the aforementioned link no later than 20 August 2018.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account here
2. Apply for the course here
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.
