Training code: 26OS500437MUL-E-D
Contact: ituacademy@itu.int

Training description

The course aims at helping learners to master the core components of the ITU Digital Skills Toolkit 2024 and to be able to design a national digital skills strategy roadmap based on the recommendations of the Digital Skills Toolkit, with the objective to develop or improve their national digital skills policies and programmes.

The ITU Digital Skills Toolkit is accessible at ITU Academy here: [Digital Skills Toolkit | ITU Academy](#).

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
