Measuring digital development: ICT service prices data collection

Organized by:

Supported by

Funded by
the European Union

Training details

Modality: Online instructor led

Dates: 19 Feb 2026 - 19 Feb 2026

Training fees: \$0.00

Language: English

Registration deadline:

Training code: 26OI500469MUL-E-D

Contact: indicators@itu.int

Training description

This training follow-up webinar aims to strengthen the capacity of countries to produce indicators and statistics on ICT service prices according to ITU ICT Price Basket methodology. It is aimed to support the compilation and submission of data to ITU through the ICT Price Basket Questionnaire.

With the generous support from the Global Gateway initiative of the European Union, participation in this webinar is free of charge.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

How to register

In order to register for the training, participants should:

1. Create an ITU Academy account [here](#)
2. Register for the course [here](#)

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
