Dates: Open
Training fees: $0.00
Language: English
Application deadline: 15 Dec 2026

Training code: 27WS500603AFR-E-D
Contact: ituacademy@itu.int

Training description

Tomorrow School offers a practice-oriented programme in programming and artificial intelligence, delivered through peer-to-peer learning, independent problem-solving and collaboration. The programme aims to develop practical programming and AI skills through more than 50 projects.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page here.

How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account here
2. Apply for the course here
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The ITU Academy is the International Telecommunication Union leading platform for capacity development initiatives.
