

## Registration and payment information

### Giga Speed Wireless and Mobile Broadband Internet

#### Training details

**Modality:**

**Dates:** 21 Nov 2017 - 18 Dec 2017

**Training fees:** \$150.00

**Language:** English

**Application deadline:**

**Training code:** 17DL19264EUR-E

**Contact:**

#### Training description

This course will focus on Giga Speed Wireless and Mobile Broadband Internet from technology, regulation and business aspects. It will cover mobile broadband, including mobile networks and Internet convergence, LTE standardization by 3GPP, LTE-Advanced, Evolved UTRAN (E-UTRAN), Evolved Packet Core (EPC), IP Multimedia Subsystem (IMS), LTE-Advanced Pro, ITU's spectrum management as well as business and regulation aspects of mobile broadband. Further, the course will incorporate Giga Speed WiFi access, including legacy WiFi standards and architectures, Giga speed WiFi (IEEE 802.11ac), 60 GHz Gigabit WiFi (IEEE 802.11ad), WiFi for mobile traffic offload and hotspot architectures, as well as business aspects and spectrum management for Giga Speed WiFi access. Also, it will cover 5G Giga speed mobile broadband Internet, including Internet of Things (IoT) in 5G architectures, 5G mobile core, Software Network Virtualization (SDN) for 5G, IPv6 in 5G mobile networks, as well as spectrum considerations and business aspects for 5G mobile broadband. Finally, the course will incorporate Giga speed mobile broadband Internet services, including VoIP over LTE, cellular-IoT/M2M services, mobile Over-The-Top (OTT) data services, ITU's QoS for popular mobile services, mobile broadband Key Performance Indicators (KPIs) and measurements, as well as business and regulation aspects for Giga speed mobile broadband services.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

#### How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

## How to pay for the training

A training fee of USD 150.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to [Hcbmail@itu.int](mailto:Hcbmail@itu.int) and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

**Failure to submit the above documents may result in the applicant not being registered for the training.**

## Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.
3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
