Description

The objectives of this course are for participants to familiarize with the regulatory framework and other latest development in the sector,as well as to explore the key issues of access and interconnection and legal issues of the latest technologies.

Registration and payment information

[Document on registration and payment information (English)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
