

## Registration information

# C&I for Packet Transport Network (PTN), Mobile Terminal and EMC Requirements

### Training details

**Modality:**

**Dates:** 25 Apr 2016 - 20 May 2016

**Training fees:** \$0.00

**Language:** English

**Application deadline:** 15 Apr 2016

**Training code:** 16DL17064ASP-E

**Contact:** [ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)

### Training description

The eLearning programme on "C&I for Packet Transport Network (PTN), Mobile Terminal and EMC Requirements" for the Asia-Pacific Region will be conducted from 25 April to 20 May 2016. This training is organized jointly by the ITU and the China Academy of ICT (CAICT) as part of the Conformity and Interoperability (C&I) programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered in English through the ITU Academy Platform. This eLearning programme aims to develop a basic knowledge of Global and China's Certification System, understand the Packet Transport Network Interoperability Test, understand in detail for Mobile Terminal Testing, EMC regulatory requirements for ICT products, and share experiences and challenges concerning C&I for ICT products.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

### How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected,

you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
