

## Registration information

# ITSO training on Satellite Communications for French speaking countries of Africa

Organized by:

## Training details

**Modality:**

**Dates:** 27 Jul 2015 - 31 Jul 2015

**Training fees:** \$0.00

**Language:** English, English

**Application deadline:**

**Contact:** [oumou.niang@itu.int](mailto:oumou.niang@itu.int)

## Training description

The training aims to provide an in-depth understanding of VSAT Systems and protocols in satellite communications . In particular, it will introduce VSAT concepts, Satellite Communications Systems, Technologies and Protocols, and will also allow participants to assess VSAT Systems for deployment into cooperate wide area network solutions.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
