Description

The course aims to provide the trainees of the Ministry of Information, Posts and Telecommunications (MIPT) of Somalia with Computer essentials skills using the curriculum of ICDL.

Registration information

[Document on registration information \(English\)](#)

Unless specified otherwise, all ITU Academy training courses are open to all interested professionals, irrespective of their race, ethnicity, age, gender, religion, economic status and other diverse backgrounds. We strongly encourage registrations from female participants, and participants from developing countries. This includes least developed countries, small island developing states and landlocked developing countries.
