

## Registration information

### Certified IPV6 Network Engineer CNE6 L1 & L2

#### Training details

**Modality:**

**Dates:** 01 Dec 2012 - 20 Dec 2012

**Training fees:** \$0.00

**Language:** English

**Application deadline:** 19 Nov 2012

**Training code:** 12WS12903ASP-E

**Contact:** [ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)

#### Training description

As the requirement for IP addresses grow, IPv6 will replace IPv4 to ensure the continuity of the internet or any IP network. It has the potential to provide increased address space, improved routing and support for new applications.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

#### How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
