

## Registration and payment information

### Cloud Computing: conceptos, implementación y panorama actual

#### Training details

**Modality:**

**Dates:** 26 Nov 2012 - 21 Dec 2012

**Training fees:** \$200.00

**Language:** English

**Application deadline:** 26 Nov 2012

**Training code:** 12DL12945AMS-S

**Contact:**

#### Training description

##### OBJETIVO GENERAL

Comprender los conceptos generales y los procesos de la implementación de soluciones sobre Cloud Computing.

##### OBJETIVOS ESPECÍFICOS

- Comprender la terminología básica relacionada con la implementación de soluciones en Cloud Computing
- Analizar los modelos de implementación relacionados con Cloud Computing
- Analizar el estado actual de Cloud Computing en el mundo

##### ÍNDICE DE TEMAS

- **Semana 1:** Cloud Computing: Definición, Características esenciales, Modelos de servicio y otros conceptos alrededor Cloud de Computing
- **Semana 2:** Arquitecturas y Taxonomía: Modelo general, Virtualización y multi-tendencia, Modelos comerciales (IBM, CISCO, IEEE, otros)
- **Semana 3:** Valor Agregado del Cloud Computing: Impulsores, Obstáculos y Modelos de negocios
- **Semana 4:** Situación Actual: Panorama internacional, Casos de éxito, otros aspectos (legales, estandarización, estrategia)

## A QUIÉN VA DIRIGIDO

El curso va dirigido a estudiantes de últimos semestres de facultades técnicas, ingenieros de sistemas, gerentes y profesionales que trabajen en áreas de TI y responsables del proceso de planeación en sus Administraciones/Organizaciones.

For more information about the training objectives, target population, entry requirements, methodology, evaluation and content, consult the page [here](#).

## How to apply

In order to register for the training, applicants should:

1. Create an ITU Academy account [here](#)
2. Apply for the course [here](#)
3. The selection of participants for the course will be made by the course coordinators, based on the course's entry requirements, selection criteria and available number of seats. If selected, you will receive a notification by email.

## How to pay for the training

A training fee of USD 200.00 per participant is applied for this training course. Payment should be made via the online system using the link mentioned above for training course registration at [course page](#).

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to [Hcbmail@itu.int](mailto:Hcbmail@itu.int) and copy the course coordinator. **All bank transaction fees must be borne by the payer.**

**Failure to submit the above documents may result in the applicant not being registered for the training.**

## Group registration and payment

Registration and payment for multiple people from an organization is possible through institutional contacts.

To become an institutional contact:

1. Go to your profile page by clicking on the “My account” button in the user menu and click on the “Apply to be an Institutional Contact” button
2. Fill in the required information and click “continue”, a request will be created.

3. An ITU Academy manager will manually review this request and accept or deny it accordingly.
4. If accepted, you will find a new menu tab “Institutional Contact” appearing in the top bar. You can now request multiple seats in a course and assign them to people from your group. Kindly note, each individual must create an ITU Academy account.

The [ITU Academy](#) is the International Telecommunication Union leading platform for capacity development initiatives.
