Subject: ITU Centres of Excellence for Asia and the Pacific - Online Training Course on Basic Knowledge and Application of 5G and AI, 19 - 30 April 2021

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “**Basic Knowledge and Application of 5G and AI**”, to be conducted from **19 to 30 April 2021**. This training is organized jointly by the International Telecommunication Union and China Academy of Information and Communications Technology (CAICT) - Centre of Excellence, China as part of the ICT Applications training programme under the auspices of the ITU Centres of Excellence for Asia and the Pacific region. The training will be delivered online in English through the ITU Academy portal.

This online training course aims to equip participants with the understanding of IMT2020 (5G) technology and application; build knowledge about key technologies and applications in 5G; acquire knowledge on AI and its application across different sectors; and opportunities for international cooperation.

This training is primarily targeted at ICT professionals and engineers, decision-makers, managers, equipment suppliers and operators interested in learning about ICT applications in 5G and AI. Other institutions and individuals seeking to understand and benefits of 5G and AI as well as related ICT applications are also welcome to participate.

Detailed information about this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/index.php/training-courses/full-catalogue/basic-knowledge-and-application-5g-and-ai>

Registration should be made online at the aforementioned link no later than **15 April 2021**. Payment details are specified in the course outline.

Mr. Sean Sharidz Doral (sean.doral@itu.int) from the ITU and Ms. Wang Ying (wangying@caict.ac.cn) from CAICT, China, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
