Subject: ITU Centres of Excellence for Asia-Pacific - Online Training Course on [Intelligent Government Based on AI](#), 1-28 September 2021

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “[Intelligent Government Based on AI](#)” to be conducted from **1 to 28 September 2021**. This training is organized jointly by the International Telecommunication Union and the National Information Society Agency (NIA) of the Republic of Korea as part of the ICT Applications programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered online in English through the ITU Academy portal.

This eLearning training aims to develop an understanding on the concept and history of artificial intelligence (AI), review and discussion on AI policies, policy-making capacity by understanding the impact of AI on public administration and change management skills by understanding the issues and countermeasures related to application of AI to the public service.

This training is targeted at government officials of the ITU member states and member institutions’ staffs who are interested in understanding the latest digital policies including AI, cases, key issues and response strategies related to the digital policy.

Detailed information of this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/training-courses/full-catalogue/intelligent-government-based-ai>.

Please complete the registration online at the aforementioned link no later than **31 August 2021**.

Mr. Sean Sharidz Doral (sean.doral@itu.int) from the ITU and Ms. Heeheun Lee (hhlee@nia.or.kr) from the NIA are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,

Atsuko Okuda
Regional Director
