Subject: **ITU Centres of Excellence face-to-face training course on “Information Security Internal Audit”, 27-31 May 2019, ALTTC (CoE), India**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on **“Information Security Internal Audit”** to be held in **Ghaziabad, India from 27-31 May 2019**. This training is organized jointly by the International Telecommunication Union and the Advanced Level Telecom Training Centre (ALTTC) as part of the Cybersecurity programme under the auspices of the ITU Centres of Excellence for Asia-Pacific. The training will be delivered in English.

This training course aims to develop an understanding of information systems audit process and how it is applied in a real-world environment. It will also build knowledge on the importance of applying information technology governance principles to maintain levels of security and availability; defining and managing the information systems and infrastructure lifecycle to plan better for upgrades and replacements; identifying critical information assets and designing systems to protect from loss, theft or unauthorized access; and building a business continuity and disaster recovery strategy.

Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>

This training is primarily targeted at IT professionals responsible for audit, control and security of computer and networking resources in organizations, consultants dealing with documenting current business system provisions and making recommendations on how to improve monitoring, control and protection provisions, IT security team members, and individuals who need to achieve an industry-recognized qualification to prove their competence. It is also beneficial for institutions and individuals that are interested in building their capacity in the field of Information System Security Audit.

Registration should be made online at the aforementioned link no later than **12<sup>th</sup> May 2019**. Payment details are specified in the course outline.

Mr. Ashish Narayan ([ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)) from the ITU and Mr. Subhash Chand ([subhash.iitr83@gmail.com](mailto:subhash.iitr83@gmail.com)) from ALTTC (CoE), India are at your disposal, if you need any more information.

Additional information on this training course, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/> .

We look forward to your active participation in this training course.

Yours faithfully,
