Subject: **ITU Centres of Excellence Face-to-face Training Course on *Information Security. Protection of Information and Communication Channels*, Bishkek, Kyrgyz Republic, 9-13 December 2019**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on ***Information Security. Protection of Information and Communication Channels*** to be held in Bishkek, Kyrgyz Republic, from **9 to 13 December 2019**. This training is organized jointly by the International Telecommunication Union and the Institute of Electronics and Telecommunications as part of the Digital Inclusion programme under the auspices of the ITU Centres of Excellence for CIS region. The training will be delivered in Russian.

This training course aims to provide participants with a system and holistic picture of the information security in an enterprise, understanding of the nature information security threats, and practical skills to implement measures aimed at information security. The training will allow the participants to personally ensure efficient functioning of the information security system at the enterprise in the future.

Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link: <http://academy.itu.int/>.

The course is targeted at leading experts, top and middle managers of communication providing companies and telecommunication engineers. The course may be also of interest to employees of communication administrations dealing with the development and implementation of information security. The participants are expected to have an understanding of information and communications technologies.

Registration should be made online at the aforementioned link **no later than 9 December 2019**. Payment details are specified in the course outline.

Additional information on this training course, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/>.

Ms. Aynura Sadyrbaeva, Head, Advanced Training Faculty, Institute of Electronics and Telecommunications (email: [sad.ainura@mail.ru](mailto:sad.ainura@mail.ru)), is at your disposal should you require any information.

We look forward to your active participation in this training course.

Yours faithfully,

[ Original signed ]

Kirill Oparin
