Subject: ITU Centres of Excellence blended training course on Design and Implementation of System Security Using IP Cameras, 16-20 September 2019 – Abuja, Nigeria

Dear Sir/Madam,

I am pleased to invite your organization to participate in the training course on “**Design and Implementation of System Security Using IP Cameras**” to be held from **16 to 20 September 2019**, in Abuja, Nigeria. This training is organized jointly by the International Telecommunication Union and the Digital Bridge Institute, under the auspices of the ITU Centres of Excellence for Africa. The training will be delivered in English and will be a combination of both face-to-face and online learning (blended training).

This training provides participants the opportunity to learn the basic principles and techniques required to design, configure and implement security systems using IP Cameras.

This training is targeted at entrepreneurs of micro, small and medium enterprises, security intelligence community, investigators and youth who intend to take a career in security Intelligence.

Detailed information on this training is described in the training outline that can be downloaded from the ITU Academy portal at the following link <http://academy.itu.int/>.

Registration for the training course should be made online at the aforementioned link no later than **13 September 2019**. **Payment** details are specified in the training outline.

Additional information on this training course, such as an information note for participants, including a list of recommended hotels, is also available on the ITU Academy portal.

Mr. Yakubu Maitalata, email: ymaitalata@dbi.edu.ng and Ms Elena Stankovska-Castilla, email: elena.stankovska-castilla@itu.int are at your full disposal should you require any information.

We look forward to your active participation and invaluable contribution.

Yours faithfully,
