**Subject: ITU Asia-Pacific Centre of Excellence face-to-face training course on “IoT Applications and IoT Security Aspects”, 9 - 13 December 2019, Ghaziabad, India**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on “IoT applications and IoT Security Aspects”, to be conducted **from 9 to 13 December 2019 in Ghaziabad, India**. This training is organized jointly by the International Telecommunication Union and Advanced Level Telecom Training Centre (ALTTC) - Centre of Excellence, India as part of the IoT training programme under the auspices of the ITU Centres of Excellence for the Asia-Pacific region. The training will be delivered in English at ALTTC, Ghaziabad (Near New Delhi), India.

The training course is designed to understand IoT concepts, various communication technologies involved in IoT, IoT architecture and components, deployment strategies, ubiquitous connectivity planning for various advanced applications like smart cities, digital twins, smart home involvement of 5G in IoT. The training will also address the various challenges and security aspects involved in IoT deployment, especially in case of real time communication as well as real time designing.

This training is targeted at executives, managers, engineers and technical staff from regulators, policy makers, telecom operators, academia and other institutions.

Detailed information of this training is described in the course outline, which can also be downloaded from the ITU Academy portal at <http://academy.itu.int/> and at <http://www.itu.int/itu-d/asp>.

Registration for this training is to be made online on the ITU Academy portal at <http://academy.itu.int/>.

The training fee for this training is USD 275 per participant for foreign participants. Indian participants may pay the training fee either in USD 275 or INR 19,100/- (Excluding taxes) per participant. Payment details are specified in the course outline.

Mr. Ashish Narayan ([ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)) from the ITU and Mr. Subhash Chand ([subhash.iitr83@gmail.com](mailto:subhash.iitr83@gmail.com)) from ALTTC (CoE), India, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
