**Subject: ITU Asia-Pacific Centre of Excellence online training on "5G and ICT Applications"
17– 28 June, 2019**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training on **"5G and ICT Application" for the Asia-Pacific Region** to be conducted from **17 – 28 June 2019**. This training is organized jointly by the International Telecommunication Union (ITU) and the China Academy of ICT (CAICT) as part of the ICT applications programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered in English through the ITU Academy Platform.

This online training aims to develop

- knowledge about 5G network solutions and practice;
- understanding of 5G application trends;
- knowledge and skills on 5G integration, innovation etc.

Detailed information on this training (including registration process) is described in the training outline (Annex 1 attached), which can also be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/>. This training is targeted at managers, engineers and employees from policy makers, regulators, industry and academia, who are interested in understanding 5G technologies and its applications. Registration for this training should be made online no later than **29 May 2019**. The training is available free on this occasion with the kind support of the CAICT.

Mr. Ashish Narayan (ashish.narayan@itu.int) from the ITU and Ms. You Li (youli@caict.ac.cn) from the CAICT, China, is at your full disposal should you require any information.

We look forward to your active participation and invaluable contribution.

Yours faithfully,
