Update on DTCl implementation

1 November 2022

**Digital
Transformation
Centres**

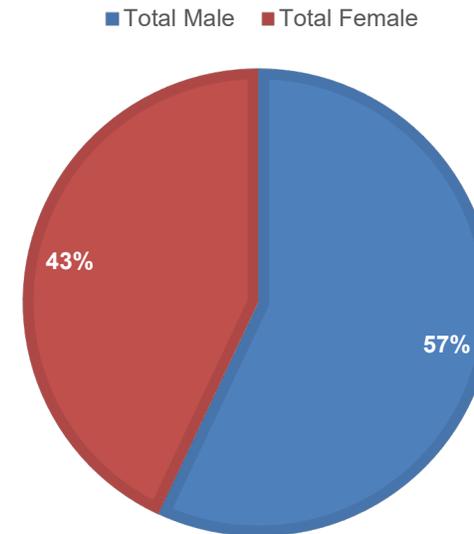

- Total course participants reached **45,126 (19,409 female)** Jan – June
- Percentage of female participants down from previous reporting periods
- **Reminder for DTCs to submit training plans (July – Dec) as we have an incomplete list of training plans**
- Training plans are a key tool to guide DTCTI planning and support

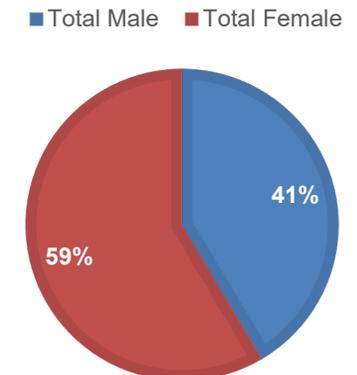

DTCTI training activities 2022
