New NetAcad Platform

- In August, Cisco Networking Academy experienced one of the biggest upgrades
- Our NetAcad platform and Skills for All converged into one single, self-contained platform for all resources
- In addition, new features and resources were introduced:
 - New courses
 - New learning pathways
 - ...and more!

New Digital Literacy Courses

“In the future, 90% of jobs will require Digital Skills”

“Entry-level digital skills are widely considered a critical component of a new set of literacy skills, alongside reading, writing and numeracy”

- **Objective:** To empower everyone with the knowledge to help bridge the digital divide, ensuring everyone has access to the opportunities and benefits of the digital world
- Two new courses aimed at Digital Literacy:
 - **Digital Awareness**
 - **Using Computer and Mobile Devices**
- Two more courses to be released soon!

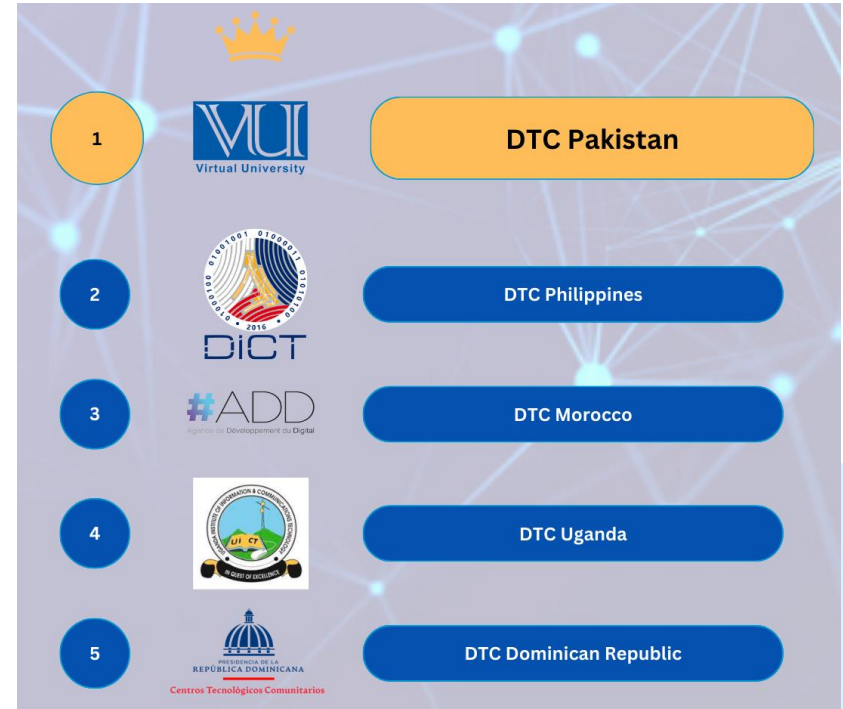

Technical Sessions

- In the coming weeks, Cisco will host a Technical Sessions for DTC instructors
- Main topics include:
 - Details on new converged platform
 - Details on new Digital Literacy courses and new Cisco learning pathways
 - Hands-on session
 - Questions and Answers session
