Subject: ITU Centres of Excellence for Asia-Pacific - Online Training Course on **Trends In Cyber Security & Blockchain Technology, 13– 24 December 2021**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “**Trends In Cyber Security & Blockchain Technology**”, to be conducted from **13 – 24 December 2021**. This training is organized jointly by the International Telecommunication Union and Advanced Level Telecom Training Centre (ALTTC) - Centre of Excellence, India as part of the cybersecurity training programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered online in English through the ITU Academy portal.

This online training course aims to equip participants with the understanding of the Cyber Security & Market Scenario Cyberspace in 2025; Cyberspace ecosystem, networks & various security threats; global trends in Social Engineering; as well as blockchain platforms and consensus algorithms; the impact of blockchain in key sectors (Financial Services, Healthcare, Governance and IPR) and India’s adoption of Blockchain.

This training is primarily targeted at policy-makers, regulators, executives, managers, engineers and technical staff from the Government and Regulatory agencies, telecom operators and academia that are interested to learn about trends In cybersecurity and the blockchain technology.

Detailed information of this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/training-courses/full-catalogue/trends-cyber-security-blockchain-technology>

Registration should be made online at the aforementioned link no later than **12 December 2021**. Payment details are specified in the course outline.

Mr. Sean Sharidz Doral (sean.doral@itu.int) from the ITU and Mr. Krishan Kumar (kksy@bsnl.co.in) from ALTTC (CoE), India, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
