

DTC KNOWLEDGE CORNER

How do DTCs make it work?

VIRTUAL UNIVERSITY OF PAKISTAN

22 April 2026

DTC Quarterly highlight

What?

ITU-DTC outreach trainings on ICT & cybersecurity across VU campuses.

Who?

VU DTC Pakistan, trainers, students, and ITU collaboration.

When?

Conducted during December & January.

Why?

Bridge digital divide and empower youth, women & underserved communities.

Where?

Lahore, Islamabad, Faisalabad, Peshawar & Karachi.

How?

Hands-on sessions, Cisco NetAcad & HP-Life workshops & practical labs.

**Key Impact: Enhanced digital literacy | Increased cybersecurity awareness
| Expanded outreach to underserved communities**

"Superpower" as a DTC

Nationwide Scalable Digital Skills Delivery

Key Investments

- Nationwide VU campus network
- Certified trainers
- Digital learning platforms

Major Achievements

- Recognition in ITU campaigns
- Outreach Initiatives
- Thousands trained in ICT skills

What Makes Us Unique

- Scalable training delivery model
- Multi-city outreach execution

Impact on Quality

- Standardized, high-quality training nationwide
- Industry-relevant, hands-on skill development

Driving Digital Inclusion & Empowering Pakistan through ITU-DTC Excellence

Success recipe

Mission: Deliver ITU Digital Transformation Centre (DTC) courses to underserved communities across Pakistan

Key Ingredients

- 🎓 Strong Institutional Network (VU nationwide campuses)
- 🌐 Blended Learning (Online + Physical access)

How It Works

- 🔑 Identify Communities
- ➡️ 🧩 Activate Centers
- ➡️ 🖥️ Facilitate
- ➡️ 💻 Deliver ITU Courses
- ➡️ 📊 Track & Improve

Secret Sauce

- ✓ Scalable digital infrastructure
- ✓ Human + technology integration
- ✓ Consistent quality delivery
- ✓ Public sector trust

Impact: Rural & youth inclusion ↑ | Digital skills ↑ | Women participation ↑ | ITU-certified learning ↑

Pro Tip: Blend technology with human support + leverage existing networks = scalable impact.

VU – Cisco Networking Academy | EMEA Cyber Cup 2026

7,000+ Enrollments

- Intro to Cybersecurity
- Intro to Modern AI
- Networking Basics
- Industrial Networking Essentials
- Intro to IoT and Digital Transformation
- Digital Safety and Security Awareness
- Networking Technician Career Path Exam

Rankings

#4 Pakistan PK

#16 / 500+ Academies 

#9 Middle East & Africa 

Awards

- ✓ Premier Partner (Top 15% Globally)
- ✓ Above & Beyond Award (awarded for positive impact in the region)
