**Subject: ITU Centres of Excellence training on Emerging Cybercrime Trends: Cybercrime Investigation & Mobile Forensics, November 22 – December 3, 2021**

Dear Sir/Madam,

I am pleased to invite you and your organization to participate in the Online training on **“Emerging Cybercrime Trends: Cybercrime Investigation & Mobile Forensics”** to be held from November 22 – December 3, 2021. This training is organized jointly by the International Telecommunication Union (ITU) and the Digital Bridge Institute (DBI) as part of the Policy and Regulation program under the auspices of the ITU Centres of Excellence for Africa. The training will be delivered in English.

This course will teach participants the emerging trends in cybercrime, how to carryout investigations using appropriate mobile forensic tools and techniques, and ways to mitigate against cyber threats and attacks. Detailed information on this training is described in the training outline which can be downloaded from the ITU Academy Portal at the following link: <https://academy.itu.int/training-courses/full-catalogue/emerging-cybercrime-trends-cybercrime-investigation-mobile-forensics>.

This training is targeted at officials of law enforcement agencies, intelligence analysts, private investigators, and security experts. Other institutions and individuals that are dedicated to understanding emerging cybercrime trends are also welcomed to participate.

Registration for the training should be made online at the afore mentioned link not later than November 19, 2021.

Payment details are specified in the training outline.

Emmanuel Niyikora, email [emmanuel.niyikora@itu.int](mailto:emmanuel.niyikora@itu.int) is at your full disposal should you require any information.

We look forward to your active participation and invaluable contribution.

Yours faithfully,

Andrew Rugege  
Regional Director for Africa and  
Liaison to ECA and AU
