Subject: ITU Centres of Excellence for Asia-Pacific - Online Training Course on [Latest Trends in Satellite Broadband Access](#), 15 - 26 November 2021

Dear Sir/Madam,

I am pleased to invite your organisation to participate in the online training course on “[Latest Trends in Satellite Broadband Access](#)” to be conducted from **15 - 26 November 2021**. This training is organised jointly by the International Telecommunication Union and Advanced Level Telecom Training Centre, India, as part of the Wireless and Fixed Broadband training programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered online in English through the ITU Academy portal.

The training course aims to develop knowledge on the concepts of Satellite Communication Technologies & its applications, the role of LEO and MEO in Wireless Broadband Communication and future trends in satellite communication. The course will touch on other topics related to policy and pricing, installation as well as operation & maintenance of the Ku band VSAT system.

This training is primarily targeted at policy-makers, regulators, executives, managers, engineers and technical staff from the Government and Regulatory agencies, telecom operators and academia that has basic experience and knowledge of satellite communication technology.

Detailed information of this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/training-courses/full-catalogue/latest-trends-satellite-broadband-access>.

Registration should be made online at the aforementioned link no later than **14 November 2021**. Payment details are specified in the course outline.

Mr. Sean Sharidz Doral (sean.doral@itu.int) from the ITU and Mr. Mohan Singh (mohanbagrana2872@bsnl.co.in) from ALTTC, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
