**Subject: ITU Centres of Excellence online training course on Cybersecurity Policy and Strategy,
25 – 27 November 2020**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on **“Cybersecurity Policy and Strategy”** to be conducted from **25 – 27 November 2020**. This course is organized jointly by the International Telecommunication Union and the National Computer Board (CoE of Mauritius) as part of the cybersecurity programme under the auspices of the ITU Centres of Excellence for Africa. The training will be delivered in English through the ITU Academy platform.

This online training course aims to enable participants to build and execute strategic plans, create effective information security policy, and action plans as well as how to review the plans whenever required.

Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/training-courses/full-catalogue/cybersecurity-policy-and-strategy>.

The course is targeted at policy makers, chief information security officers, information security officers, security directors, security managers, aspiring security leaders and other security personnel who have team lead or management responsibilities.

Registration should be made online at the aforementioned link no later than 20 November 2020. The training course is free of charge.

Mr. Manish Lobin, Information Security Consultant and course coordinator, Email: mlobin@cert.ncb.mu and Mr. Emmanuel Niyikora, Programme Officer, ITU Area Office for West Africa, Dakar, Email: emmanuel.niyikora@itu.int, are at your full disposal should you require any Information.

We look forward to your active participation in this training course.

Yours faithfully,
