**Subject: ITU Centres of Excellence for Asia and the Pacific - Online Training Course on [Building IoT Solutions for Smart Agriculture](#), 20 September – 1 October 2021**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on "[Building IoT Solutions for Smart Agriculture](#)", to be conducted from **20 September to 1 October 2021**. This training is organized jointly by the International Telecommunication Union and IoT Academy - Centre of Excellence, Iran, as part of the Internet of Things training programme under the auspices of the ITU Centres of Excellence for Asia and the Pacific region. The training will be delivered online in English through the ITU Academy portal.

This online training course aims to introduce participants to the Internet of Things and its ability to enhance and improve agricultural productivity and reduce cost. It will focus on topics that addresses IoT usage for smart farming, smart water and energy management, and use cases in this area.

The course is targeted at ministries, organizations, industries, ICT experts, policymakers, regulators, service & solution providers and academia that are involved in the area of agriculture and the Internet of Things.

Detailed information about this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/training-courses/full-catalogue/building-iot-solutions-smart-agriculture>.

Registration should be made online at the aforementioned link no later than **17 September 2021**. Payment details are specified in the course outline.

Mr. Sean Sharidz Doral ([sean.doral@itu.int](mailto:sean.doral@itu.int)) from the ITU and Mr. Naghizadeh ([edu@iotaci.com](mailto:edu@iotaci.com)) from IoT Academy (CoE), Iran, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,

[Original signed]

Ismail Shah  
Officer-in-Charge
