Subject: ITU Centres of Excellence for Asia-Pacific - Online Training Course on IoT & 5G in AI Smart City, 15 – 26 March 2021

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “**IoT & 5G in AI Smart City**”, to be conducted from **15 to 26 March 2021**. This training is organized jointly by the International Telecommunication Union and Advanced Level Telecom Training Centre (ALTTC) - Centre of Excellence, India as part of the Cyber Security training programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered online in English through the ITU Academy portal.

This online training course aims to equip participants with proper understanding of the different types of basic technologies available to support and supplement the IOT & 5G in AI Smart city; cellular IoT evolution EC-GSM IoT, LTE-M, NB-IoT, 5G IoT; challenges and paucity with contemporary technological eco-system towards futuristic AI-based use cases; development in different fields which support the evolution of Futuristic Cellular IoT; latest development available especially in wireless and transportation domain to further support the development of MIoT; and administrative and regulatory Framework needed for successful implementation of IoT for ALL regardless of any limitation.

This training is primarily targeted at executives, managers, engineers and technical staff from regulators, policymakers, telecom operators, academia and government organizations.

Detailed information of this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/index.php/training-courses/full-catalogue/iot-5g-ai-smart-city>

Registration should be made online at the aforementioned link no later than **14 March 2021**. Payment details are specified in the course outline.

Mr. Sean Sharidz Doral (sean.doral@itu.int) from the ITU and Mr. Subhash Chand (subhash.iitr83@gmail.com) from ALTTC (CoE), India, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
