Subject: **ITU Asia-Pacific Centres of Excellence online training course on “Building IoT Solutions for Smart Sustainable Cities”, 28 September - 9 October 2020**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on **“Building IoT Solutions for Smart Sustainable Cities” for the Asia-Pacific Region** to be conducted from **28 September - 9 October 2020**. This course is organized jointly by the International Telecommunication Union and IoT Academy as ITU Centres of Excellence in the priority area of Internet of Things for Asia-Pacific. The training will be delivered in English through the ITU Academy Platform.

This course aims to introduce participants to the concept and pillars of the Internet of Things taking into account the work of ITU in the areas of Smart Sustainable City. Participants will be introduced to concepts, goals and frameworks to key aspects and KPIs of IoT based on different IoT solutions and use cases for smart sustainable city.

The course is targeted at municipals, organizations, industries, ICT experts, policymakers, regulators, service & solution providers and Academia that are involved in the Internet of Things.

Detailed information on this training course is described in the training outline, which can also be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/training-courses/full-catalogue/building-iot-solutions-smart-sustainable-cities>

Interested participants are encouraged to register online at the aforementioned link no later than **25 September 2020**.

Mr. Sean Doral (sean.doral@itu.int) from the ITU and Mr. Naghizadeh (edu@iotaci.com) from the IoT Academy are at your full disposal should you require any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
