Subject: ITU Centres of Excellence blended training course on “Features of 5G technology implementation at the local (some towns), regional (district, region) and national level”, Odessa, Ukraine, May 23-24, 2019

Dear Sir/Madam,

I am pleased to invite your organization to participate in the blended training course on **“Features of 5G technology implementation at the local (some towns), regional (district, region) and national levels”** to be held in **Odessa, Ukraine** on **May 23-24, 2019**. This training is organized jointly by the International Telecommunication Union and A.S. Popov Odessa National Academy of Telecommunications (ONAT) of the Ministry of Education and Science of Ukraine as part of the Digital Broadcasting Programme under the auspices of the ITU Centres of Excellence for Europe Region. The training will be delivered in English and Russian with simultaneous interpretation.

This training course aims to give participants an overview of the latest technologies for mobile communications and broadband access. At the end of the course participants will be able to assist in the implementation and development of 5G mobile communication and broadband access networks.

Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <http://academy.itu.int/>.

The course is targeted at technical staff, engineers, senior and mid-level management staff of telecommunications service providers, telecommunication and broadcasting companies. It is also of interest to employees of Telecommunication Authorities dealing with the issues of broadband network development, audio and multimedia broadcasting.

Registration should be made online at the aforementioned link no later than **May 23, 2019**. Payment details are specified in the course outline.

Mr. Vladyslav Kumysh, Head of Research Development Department, A.S. Popov ONAT (telephone: +38 048 705 03 84, telephone/fax: +38 048 705 03 05, email: rdd@onat.edu.ua) is at your full disposal should you require any information.

Additional information on this training course, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/> .

We look forward to your active participation in this training course.

Yours faithfully,
