Academia Members in Europe and CIS region

Subject: **ITU Centres of Excellence face-to-face training course on Cybersecurity Challenges and Solutions, Minsk, Republic of Belarus, 25-27 June 2019**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on **Cybersecurity Challenges and Solutions** to be held in Minsk, Republic of Belarus from **25 to 27 June 2019**. This training is organized jointly by the International Telecommunication Union and the Belarusian State Academy of Communications as part of the Wireless and Fixed Broadband Communication programme under the auspices of the ITU Centres of Excellence for CIS region. The training will be delivered in Russian with simultaneous interpretation into English.

This training course aims to introduce participants to the issues of cybercrime, the vulnerability of critical infrastructure and the role of new technologies in ensuring cybersecurity, developing standards for behavior in cyberspace.

Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link: <http://academy.itu.int/>.

The training is intended for information security specialists, managers and specialists of multi-service network operation departments. The training will also be of interest to executives in the field of ICT, employees of regulatory bodies, representatives of service providing companies, teaching staff of ICT-specialized educational institutions.

Registration should be made online at the aforementioned link **no later than 19 June 2019**. Payment details are specified in the course outline.

Additional information on this training course, such as an information note for participants, including a list of recommended hotels, is available at the ITU Academy Portal at <http://academy.itu.int/>.

Mr. Vasil Dubrovsky, Vice-Rector, Belarusian State Academy of Communications (telephone: +375 17 3699608, email: v.dubrovsky@bsac.by) and Mr. Oleg Khodasevich, Head, Department of Advanced Training, Belarusian State Academy of Communications (telephone: +375 17 2673723, email: o.khodasevich@bsac.by) are at your full disposal should you require any information.

We look forward to your active participation in this training course.

Yours faithfully,

[Original signed]

Kirill Oparin
