Subject: **ITU Centres of Excellence Online Training Course on “Human Exposure to Radio Frequency Electromagnetic Fields”, 23 November-6 December 2020, UTM (COE)**

Dear Sir/Madam,

I am pleased to invite your organisation to participate in the online instructed-led training course on “Human Exposure to Radio Frequency Electromagnetic Fields” to be held online on the ITU Academy **from 23 November to 6 December 2020**. This training is organised jointly by the International Telecommunication Union and the Wireless Communication Centre, Universiti Teknologi Malaysia as part of the Wireless and Fixed Broadband programme under the auspices of the ITU Centres of Excellence for Asia-Pacific. The training will be delivered in English.

The course aims to equip participants with an understanding of the effect of radio frequency electromagnetic field (EMF) exposure to human and its relation to body tissue dielectric parameters and frequency. The course will also discuss related recommendations and policies as well as recent studies on the effect of EMF exposure to human. In addition, case study of public education campaigns will also be covered in the course. Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/training-courses/full-catalogue/human-exposure-radio-frequency-electromagnetic-fields-malaysia><https://academy.itu.int/training-courses/full-catalogue/human-exposure-radio-frequency-electromagnetic-fields-malaysia>.

This training targets executives, managers, officials, engineers, employees from policy makers, regulators, government organisation, telecom operators, vertical industries, telecom investment companies, researchers, and academia.

Registration should be made online at the aforementioned link no later than **20 November 2020**. Payment details are specified in the course outline.

Mr Aamir Riaz (aamir.riaz@itu.int) from the ITU and Ms Jamaliah Salleh (jamaliah_s@utm.my) from UTM remain at your disposal, if you need any further information.

I look forward to your active participation in this training course.

Yours faithfully,
