Subject: **ITU Centres of Excellence Online Training Course on “Fifth Generation (5G) Radio Access Network Planning and Technology Coexistence”, 14-28 September 2020, UTM (COE)**

Dear Sir/Madam,

I am pleased to invite your organisation to participate in the online training course on “Fifth Generation (5G) Radio Access Network Planning and Technology Coexistence” to be held in ITU Academy online eLearning platform from **14-28 September 2020**. This training is organised jointly by the International Telecommunication Union and the Wireless Communication Centre, Universiti Teknologi Malaysia as part of the Wireless and Fixed Broadband programme under the auspices of the ITU Centres of Excellence for Asia-Pacific. The training will be delivered in English.

The course aims to equip participants with an in-depth view of Fifth Generation technology, from the perspective of 5G network architecture, network softwarisation-virtualisation and cloudification, 5G New Radio (NR) specification, 5G radio access network planning, technology existence, and interference mitigation. Detailed information on this training course is described in the course outline which can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/training-courses/full-catalogue/fifth-generation-5g-radio-access-network-planning-and-coexistence>.

This training is targeted at executives, managers, engineers, regulators, policymakers, telecom operators, semiconductor industry, vertical industries, and academia who are dealing with the planning and implementation of 5G network and services.

Registration should be made online at the aforementioned link no later than **7th September 2020**. Payment details are specified in the course outline.

Mr Sean Doral (sean.doral@itu.int) from the ITU and Ms Jamaliah Salleh (jamaliah_s@utm.my) from UTM are at your disposal if you need any more information.

I look forward to your active participation in this training course.

Yours faithfully,
