**Subject: ITU Centres of Excellence face-to-face training on “Agile Project Management for ICT Applications & Services”
Khartoum-Sudan, 24-26 March 2020**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on “Agile Project Management for ICT Applications & Services” to be conducted in Khartoum Sudan, from 24 - 26 March 2020. This course is organized jointly by the International Telecommunication Union (ITU) and Sudatel Telecommunications Academy (SUDACAD) as part of the ICT Applications & Services programme under the auspices of the ITU Centres of Excellence for Arab region.

The training will be delivered in Arabic and English.

This training course aims to prepare the participant to excel Agile Project Management concept on ICTs apps and services. By using Agile Manifestos, Domains, Methodologies Workflows, tools and techniques to manage the ICT projects using the agile.

This training course will enable participants to:

- Understand the concepts, benefits and risks of Agile development
- Differentiate between Agile and Lean Management and their applications
- Understand the philosophy, approach and principles of Agile Project Management
- Understand the importance of negotiation and collaboration
- Use their skills to set up and manage an Agile project

- Have a much better insight about team building, project charter, project release, iteration planning, stakeholder management which eventually help you tighten your grip on the project.
- Have a greater understanding of building a ICTs business environment
- Highlight the credibility and level of Professionalism in agile principles, practices, tools, and techniques.

This training targets ICTs project managers, developers, team members, team leads, designers and technical architects.

Detailed information on this training course is described in the course outline, which can be downloaded from the ITU Academy Portal at the following link ([click here](#)).

Registration should be made online at the aforementioned link no later than **14 March 2020**. Payment details are specified in the training course outline.

Should you require any further information, Eng. Mustafa Al Mahdi, Programme Administrator of ITU-Arab Regional Office (mustafa-ahmed.al-mahdi@itu.int) and Eng. Mohaned Abdalla Suleiman, Senior Engineer at Planning & Development Dept., SUDACAD (mohanedas@sudatel.sd) are at your full disposal.

Looking forward to your active participation in this training course.

Yours sincerely,
