Subject: ITU Centres of Excellence face-to-face training on “Computer Aided Spectrum Management”, Khartoum, Sudan, 17-19 December 2019

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on “Computer Aided Spectrum Management” to be conducted in Khartoum Sudan, from 17 - 19 December 2019.

This course is organized jointly by the International Telecommunication Union (ITU) and Sudatel Telecommunications Academy (SUDACAD) as part of the Wireless and Fixed Broadband programme under the auspices of the ITU Centres of Excellence for Arab region.

The training will be delivered in English & Arabic.

This training course aims to provide participants with tools and techniques on the use of computers in the spectrum management process and automation. Several aspects of this process, such as frequency coordination, administrative procedures (registration and issuing of licenses) as well as notifications of spectrum assignments will be addressed during the training.

By the end of this training course participants should be able to deal with:

- Computer Spectrum Automation techniques and tools;
- Spectrum management data and database management;
- Computer Spectrum Automation Systems acquisition;
- Spectrum management automation systems;
- Guidance to spectrum managers in organizations.

This training is aimed at spectrum specialists, network engineers, application developers, network administrators and directors of technical departments from ICTs ministries, regulators and mobile network operators and service providers.

Detailed information on this training course is described in the course outline, which can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/>.

Registration should be made online at the aforementioned link no later than **9 December 2019**. Payment details are specified in the training course outline.

Should you require any further information, Eng. Mustafa Al Mahdi, Programme Administrator of ITU-Arab Regional Office (mustafa-ahmed.al-mahdi@itu.int) and Eng. Mustafa Agab Seido, Planning & Development Senior Manager, SUDACAD, (agab@sudatel.sd) are at your full disposal.

Looking forward to your active participation in this training course.

Yours faithfully,
