- Arab Regional chairs and vice chairs of the Advisory Groups and Study Groups

**Subject: ITU Centres of Excellence Online Training Course on “Cybersecurity Foundations”**

Dear Madam/Sir,

I am pleased to invite your organization to participate in the online training course on **“Cybersecurity Foundations”**, organized jointly by the International Telecommunication Union (ITU) and Naif Arab University for Security Sciences (NAUSS), **from 19 to 20 January 2022**, as part of the Cybersecurity program under the auspices of the ITU Centres of Excellence for Arab region. The training will be delivered in English.

The objective of this course is to understand the principles of cybersecurity and to perform practical skills in simulating a phishing attack.

By the end of this training, participants should be able to have:

- Knowledge of the main elements of cybersecurity and describe their importance.
- Knowledge of the trends of cyber-attacks and differentiate between the types of these cyberattacks.
- Knowledge of differentiating between threat, vulnerability and risk in cybersecurity domain.
- Skills to conduct of Demonstrate the practical steps of cyber-attacks simulation.
- Skills in Perform the steps of vulnerabilities scanning
- Skills in using virtual machine and simulating cyberattacks.

This training course targets network administrators, system administrators, security operation centre employees as well as individuals who are interested in gaining more knowledge in cybersecurity.

Detailed information on this training course is described in the course outline, which can be downloaded from the ITU Academy portal at the following link ([Click here](#))<sup>1</sup>. Registration should be made online at the aforementioned link no later than **12 January 2022**.

Should you require any further information, Mr. Ahmed El Raghy, Senior Advisor, at ITU Arab Regional Office, E-mail: ([ahmed.elraghy@itu.int](mailto:ahmed.elraghy@itu.int)) and Dr. Abdulrazaq Al-Morjan, Director of Centre of Excellence in Cyber Crimes and Digital Forensics, NAUSS, E-mail: ([T-AAlmargan@nauss.edu.sa](mailto:T-AAlmargan@nauss.edu.sa)) are at your full disposal.

Looking forward to your active participation in this online training course.

Yours faithfully,

[Original signed]

**Adel M. Darwish**  
Regional Director  
Arab Regional Office
