**Subject: ITU Centers of Excellence Face-to-Face Training Course on “Digital Forensics”
Riyadh-Saudi Arabia, 25-29 Aug. 2019**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training course on **“Digital Forensic”** to be conducted in Riyadh-Saudi Arabia, 25 – 29 Aug. 2019. This course is organized jointly by the International Telecommunication Union and Naif Arab University for Security Sciences (NAUSS) as part of the Cybersecurity Programme under the auspices of the ITU Centers of Excellence for Arab region.

The training will be delivered in Arabic and English.

The purpose of this training course is to provide the participants with an advanced skills, tools and techniques concerning computer and digital forensics using lecture and hands-on labs. Among different topics related to digital forensics, the following subjects will be covered:

- ✓ Develop an investigative process for the digital forensic investigation.
- ✓ Familiarity with the use of the most popular investigative tools.
- ✓ Ability to respond to digital crime and to protect the crime scene.
- ✓ Learn how to collect and analyze digital data directory, operating and storage systems.
- ✓ Ability to understand and write a digital criminal report including mobile forensics and email crime.
- ✓ Identify common areas of malicious software activity and characteristics of various types of malicious software files.
- ✓ Confidently perform live response in intrusion investigation scenarios.

Detailed information on this training course is described in the course outline, which can be downloaded from the ITU Academy Portal at the following link ([click here](#)).

The course is targeted at the security professionals, systems security analysis, incident response team, law enforcement, and anyone interested in digital forensic investigations. In addition to the operating systems officer, cybersecurity specialist and IT Administrators.

Registration should be made online at the aforementioned link no later than **10 Aug. 2019**. Payment details are specified in the training course outline.

Should you require any further information, Eng. Mustafa Al Mahdi, Programme Administrator of ITU-Arab Regional Office, email: (mustafa-ahmed.al-mahdi@itu.int) and Mr. Raid Al-Rashidi, Naif Arab University for Security Sciences (NAUSS), email: (RAlrashidi@nauss.edu.sa), are at your full disposal.

Looking forward to your active participation in this training course.

Yours sincerely,
