Subject: ITU Centres of Excellence face-to-face training course on “Internet Governance: Policy and Technical Perspective”, Khartoum-Sudan, 26-28 November 2019

Dear Sir/Madam,

I am pleased to invite your organization to participate in the above-mentioned training course, which is being organized jointly with Sudatel Telecommunications Academy (SUDACAD) as part of the ICT Applications Programme under the auspices of the ITU Centres of Excellence for the Arab region.

The training will be delivered in English & Arabic.

The training aims to equip participants with the history, technical, legal underpinnings of the Internet, its key international policy issues and venues, and the most up to date information on internet governance discussions.

At the end of the training, participants will be able to:

- Understand the Internet eco-system.
- Highlight the key players in Internet management architecture.
- Understand how Internet is governed, and who are the stakeholders.
- Understand the Policy Development Process (PDP).
- Plan for the future of the Internet.

Detailed information on this training is described in the course outline, which can be downloaded from the ITU Academy portal at the following link ([Click here](#)).

This training is targeting network engineers, application developers, network administrators and IT managers.

Registration should be made online at the aforementioned link no later than **19 November 2019**. Payment details are specified in the course outline.

Should you require any further information, Eng. Mustafa Al Mahdi, Programme Administrator, ITU-Arab Regional Office (mustafa-ahmed.al-mahdi@itu.int) and Eng. Mustafa Agab Seido, Planning & Development Senior Manager, SUDACAD (agab@sudatel.sd) are at your full disposal.

Looking forward to your active participation in this training.

Yours sincerely,
