**Subject: ITU Asia-Pacific Centre of Excellence online training course on “Internet of Things (IoT): Technological Aspects and Implementations”, 16-27 December 2019, Ghaziabad, India**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “**Internet of Things (IoT): Technological Aspects and Implementations**”, to be conducted **from 16 to 27 December 2019**. This training is organized jointly by the International Telecommunication Union and Advanced Level Telecom Training Centre (ALTTC) - Centre of Excellence, India as part of the IoT training programme under the auspices of the ITU Centre of Excellence for Asia-Pacific region. The training will be delivered in English through the ITU Academy platform.

This online training aims to equip participants with an understanding of IoT concept and architecture, IoT communication models including various communication protocols involved in implementation as well as the role of long range in IoT technologies. This training targets executives, managers, engineers and technical staff from regulators, policy makers, telecom operators, academia and other institutions.

Detailed information of this training is described in the course outline, which can also be downloaded from the ITU Academy portal at <http://academy.itu.int/> and at <http://www.itu.int/itu-d/asp>.

Registration for this training should be made online at <https://academy.itu.int/training-courses/full-catalogue/iot-technological-aspects-and-implementations> no later than 15 December 2019. Payment details are specified in the course outline.

Mr. Ashish Narayan ([ashish.narayan@itu.int](mailto:ashish.narayan@itu.int)) from the ITU Regional Office for Asia and the Pacific and Mr. Subhash Chand ([subhash.iitr83@gmail.com](mailto:subhash.iitr83@gmail.com)) from ALTTC, India, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,
