PRACTICAL INFORMATION NOTE

VENUE

The Digital Transformation Centres Workshop for Telecommunication Companies will be held **from 30 May to 1 June 2023** in **Geneva, Switzerland**, at the **Centre de Conférences de Varembe (CCV)**, opposite the International Conference Center Geneva (CICG).

This meeting is organized by the International Telecommunication Union (ITU), in partnership with Cisco.

Access to the meeting venue

The workshop will take place at the following address:

Centre de Conférences de Varembe (CCV) - [See the location on the Map](#)

Rue de Varembe 9-11
1202 Geneva
Switzerland

Access to this building is provided via radio-frequency identification (RFID) security badges (swipe cards) that are issued during registration at the Montbrillant building.

REGISTRATION

Registration for this workshop will be carried out online and onsite.

1. All participants are required to register online. Please [register here](#) (<http://cs.co/DTCTelcoPartners>) and complete the form. Registered participants will receive a confirmation of registration by e-mail from ITU.
2. Onsite registration will take place on Tuesday, 30 May 2023, **starting from 10:00 hours**. Participants are required to present their confirmation of online registration to the Registration Desk, together with an official identity document bearing a photograph (e.g. passport or driving license) in order to obtain their event badge. This badge must be **worn at all times** throughout the workshop.
 - The onsite registration will take place at the reception of **ITU Montbrillant building: 2, rue de Varembe, 1202, Geneva**.

VISA PROCEDURES

Citizens of a number of countries are required to obtain a visa in order to enter Switzerland. The visa must be requested and obtained from the office (embassy or consulate) representing Switzerland in your country or, if there is no such office in your country, from the one that is closest to the country of departure.

IMPORTANT NOTICE FROM THE SWISS MISSION CONCERNING THE OBTENTION OF VISAS!

Switzerland has implemented necessary measures to facilitate the issuance of visas for official delegates invited to take part in conferences and international meetings with organizations having concluded a headquarters agreement as well as other persons invited in the framework of good offices.

The time needed for a visa request to be processed may vary from case to case and could also depend on local circumstances. It is therefore strongly recommended to take the necessary steps well in advance so visas can be issued as required. In general, exceptions excluded, visa requests can be lodged at the earliest three months before the departure date and at the latest twenty-one days before the departure date. All visa applicants should submit completed and signed application forms as well as all other necessary documents. Applications which are not complete

will be delayed and not registered until complete.

Further information is available at: [Swiss Confederation - Federal Office for Migration](#)

More information on Visa requirements can also be found at:

Visa support

Participants may request an invitation letter for visa support at dtc@itu.int should they encounter any problem.

ACCOMMODATION

You will find a [LIST](#) of hotels around Geneva offering special rates to ITU delegates.

Delegates attending ITU conferences and meetings may benefit from special rates in a number of hotels in Geneva. The procedure outlined below should be followed in order to simplify the reservation of hotel rooms on the special terms extended:

- Delegates must reserve their room directly at one of the hotels on this [list](#) **AND NOT** through any intermediary such as a travel agency or airline.
- They must confirm the booking by mailing or faxing this generic [confirmation form](#), which must include their credit card number by way of guarantee.
- When checking in, delegates may be required to provide evidence that they are attending an ITU meeting (and should in this case show their "Confirmation of Registration" letter).

Note: ITU has established this procedure to facilitate, but not to deal with, reservations.

More details are available on the ITU [Delegate's Corner \(itu.int\)](#).

Transportation - Geneva Transport Card

Hotels and residences in the canton of Geneva now provide a free "[Geneva Transport Card](#)". With this card, public transport in Geneva is free for the full duration of your stay.

This personal and non-transferable card will be given to you when you arrive at your accommodation. It permits unlimited travel on Geneva's public transport network (UNIRESO: bus (TPG), train (CFF) and boat (Mouettes Genevoises) for the full duration of your stay.

Currency

The Swiss Franc (CHF) is the official currency of Switzerland.

1 CHF = 1.12 USD (as of 8 May 2023).

Electric Power supply

The **voltage** in Switzerland is similar to that in most other European countries, i.e. 230V/50Hz. Switzerland uses two types of electric plug: type C (two pins) and type J (three pins).
