Sudatel Telecommunications Academy (SUDACAD)

Online Training Course on “Ultra-Microwave Broadband Internet Access” 7 - 10 December 2020

TRAINING OUTLINE

COURSE DESCRIPTION

Title	Ultra-Microwave Broadband Internet Access
Method of delivery	Online
Objectives	This training aims to help participants learn and understand Microwave technologies and their effects on business management, and to be aware of Microwave planning, capacity configuration, Microwave design, Microwave route and Microwave tools.
Dates	7 - 10 Dec. 2020
Duration	4 Days
Registration deadline	5 Dec. 2020
Training fees	USD 75
Course code	200I24949ARB-A

LEARNING OUTCOMES

By the end of this training, the participants should be able to:

- Understand concepts of Microwave technology.
- Understand the key concepts behind the tools for solving various problems in microwave engineering.
- Understand Microwave planning, analysis, design and development of microwave systems.
- Understand how does microwave planning tool working.

TARGET POPULATION

This training course targets those who are responsible for Network Operation Center (NOC) engineers, Microwave Planning and Microwave project engineers, regulators analysis engineers and academia.

TUTORS/INSTRUCTORS

NAME OF TUTOR(S)/INSTRUCTOR(S)	CONTACT DETAILS
Dr. Musaab Ali Abdelrahim	Musab20000@yahoo.com

EVALUATION

Participants will be evaluated according to:

- Active interaction in the group exercises and discussions;
- Dedication in attending the sessions.

REGISTRATION AND PAYMENT

ITU Academy portal account

Registration and payment should be made online at the ITU Academy portal.

To be able to register for the course you MUST first create an account in the ITU Academy portal at the following address:

<https://academy.itu.int/index.php/user/register>

Training registration

When you have an existing account or created a new account, you can register for the course online at the following link: <https://academy.itu.int/index.php/training-courses/full-catalogue/ultra-microwave-broadband-internet-access-0>

You can also register by finding your desired course in our training catalogue <https://academy.itu.int/index.php/training-courses/full-catalogue>

Payment

1. On-line payment

A training fee of USD 75.- per participant is applied for this training. Payments should be made via the online system using the link mentioned above for training registration at <https://academy.itu.int/index.php/training-courses/full-catalogue/ultra-microwave-broadband-internet-access-0>

2. Payment by bank transfer

Where it is not possible to make payment via the online system, select the option for offline payment to generate an invoice using the same link as above. Download the invoice to make a bank transfer to the ITU bank account shown below. Then send the proof of payment/copy of bank transfer slip and the invoice copy to Hcbmail@itu.int and copy the course coordinator. All bank transaction fees must be borne by the payer.

Failure to submit the above documents may result in the applicant not being registered for the training.

3. Group payment

Institutional Contacts are users that represent an organization. Any student can request to be an institutional contact or to belong to any existing organization.

To do this, head to your profile page by clicking on the **“My account”** button in the user menu. At the bottom of this page you should see two buttons:

- a. If you want to **become an institutional contact**, click on the **“Apply to be an Institutional Contact”** button. This will redirect you to a small form that will ask for the organization name. After you fill the name of the organization you want to represent, click on **“continue”** and a request will be created. An ITU Academy manager will manually review this request and accept or deny it accordingly.
- b. If you want to **belong to an existing organization**, click on the **“Request to belong to an Institutional Contact”** button. This will redirect you to a small form that will ask you to select the organization you want to join from an organization list. After you select the correct organization, click on **“continue”**, a request will then be created. The Institutional Contact that represents that organization will manually accept or deny your request to join the organization.
